ABSTRACT

Focusing on periodicals that consistently carry materials about reading, this contributor's guide lists information on 189 electronic journals, print journals, magazines, newsletters, newspapers, and yearbooks. The alphabetical list offers information about editor, address, frequency of publications, editorial procedures, grade level, and audience. A sample of the survey sent to the periodicals is included. How to Use the Contributor's Guide to Periodicals in Reading

Scope

The list that follows includes basic information about periodicals that consistently carry materials about reading. The information was provided by the editors of those periodicals in response to a questionnaire.

Using This Guide

Every periodical included in this guide appears alphabetically on the list. The list offers information about editor, address, editorial procedures, grade level, and audience. To use this guide most efficiently, please first read the sample questionnaire. Quotation marks in the list indicate comments of individual editors.

This guide in no way reflects advocacy or endorsement by the International Reading Association of any periodical except, of course, for the four IRA journals, newspaper, and electronic journal included.
